

ESRC Grand Union DTP 2020-21

Our events are clustered into three themes over the year: academic journey, collaboration and impact & engagement. We end the year with the annual conference which all DTP students are expected to attend. Further events will be added during the year, and all sessions will be held online until the Collaboration Fair in March, after which we hope to move into the real world but will review the situation closer to the time.

Oct to Dec 2020 – Academic Journey
